Sir:

In response to the Notice of Allowability dated May 13, 2008, Applicant respectfully submits the following Comments on Statement of Reasons for Allowance.

Applicant wishes to thank Examiner Riggleman for allowing claims 1, 3, 6-7, 9-15, 17, 20-21, and 23-28 in the above-referenced patent application. However, Applicant can not acknowledge the Examiner's reasons for allowance for purposes of prosecution history estoppel, because they do not correspond to the claims word-for-word. That is none of the claims specifically recite "simultaneous engagement of the stopper with the seating of the first incline portion nor the button pushed towards the rack for release of the device."

Please charge any shortage in fees due in connection with the filing of this, concurrent and future replies, including extension of time fees, to Deposit Account 16-0607 and please credit any excess fees to such deposit account.

Respectfully submitted,
